

Birthday Party Group Request Form

To reserve a Birthday Party Package, you must provide a minimum 24-hour notice. It is preferable for all group participants to pay in one lump sum. Parents of children attending birthday parties may pay separately.

Picnic Shelter Rental Fee: Maximum of 3 hours per rental. Highly recommended for parties.

Picnic Shelters are rented in the order in which they are requested. There are only three shelters available to rent. A shelter rental is not required; however, parties are strongly encouraged to rent a picnic shelter if they are planning to have any type of special set-up for their gathering. Birthday Party Groups are allowed to share the non-rented shelters with other visitors to the Maze but, especially in the month of October, space is limited and it may be more difficult to keep your party all together if a shelter rental is not made.
